OP NOTICE NO. 20-87-1

13 May 1987

SUBJECT: Reorganization of the Information Systems Division

Effective 11 May 1987, the Information Systems Division is reorganized and renamed the Human Resource Systems and Information Center (HRSIC). This new organization will continue to perform all of the functions and provide all of the services of ISD as well as incorporate and centralize the Office of Personnel data processing activities previously directed by the OP Special Assistant for Automation and much of the support previously provided by the Office of Information Technology. HRSIC is structured as follows:

Chief, Human Resource Systems
   and Information Center

Deputy Chief, Human Resource Systems
   and Information Center

Chief, Decision Support Staff

Chief, Systems Development Group A

Chief, Systems Development Group B

Chief, Information and Operations Group
